

## ATHLETICS RULES AND EXPECTATIONS

All players who are members of the FRBA Falcons understand playing sports demands tremendous commitment and dedication to the game and their team. Likewise, parents make great commitment and sacrifice for the athlete to play with the team. Playing for the Falcons is a privilege and not a right. As Falcon players and parents, we understand and agree to the following policies.

### **Player Responsibilities**

1. All players will treat teammates, coaches, teachers, administration, officials and opponents with dignity and respect. Depending on the severity of the disrespect, a player may be suspended from a game, or be dismissed from the team.
2. All players, regardless of ability and/or playing time are equal members of the team. Each player will treat all teammates with acceptance, respect and friendship.
3. All players will provide maximum effort in practice and games.
4. Attendance at all practices, team meetings, and games is mandatory. While injured players may be unable to play, they are still expected to arrive on time, listen to the coaches, and encourage teammates and assist the team. They will also be given extra duties to help with practice or game management.
5. In very **rare** situations, players may request to be excused from games and/or practices. When this occurs, **players are responsible** for informing the coach verbally through a phone call or meeting at the earliest possible time of the need to be excused and to receive the coach's permission to be excused.
6. When players **miss practices and/or games, playing time in future games may be affected.**
7. Unexcused absences are absences in which the coach was not informed in the manner described above or the reason for the absence is not satisfactory. **An unexcused absence from practice and/or games will result in the suspension of the player from the next game in which the player is eligible to play.**
8. Players are to be on time for all practice and games. Tardiness may affect playing time in games. Chronic lateness may result in suspension. Players are expected to directly seek understanding and resolution when questions or problems arise with coaches and teammates.
9. Players will conduct their personal lives in a manner that brings honor to themselves and the team. This includes school performances, self-respect, healthy behavior and social responsibility.
10. Players will maintain Academic eligibility according to the standard set by FRBA.

### **Parent Responsibility**

1. Parents will treat players, coaches, opponents, and officials with respect and dignity.
2. All comments by parents and their guests from the sidelines will be encouraging and/or complimentary. **Parents and guests will refrain from making comments about players' or coaching mistakes or errors.**
3. Parents will discuss player and/or team concerns and problems directly with the head coach. **These discussions will not take place right before or after a game.** A meeting will be scheduled. During the meeting, playing time and comparisons to the other players will not be discussed. Remember, it is not the best players; it is the players that work together the best!
4. Coaching is to be done only by coaches on staff. **Parents agree to refrain from coaching or directing their child or other players during all games and practices.**
5. Parents will refrain from making **derogatory comments to referees at any time.**
6. Parents will support coaches and encourage their athlete to do the same.
7. Players are expected to be picked up on time after practices and games.

### **Code of Conduct**

1. Play to win.
2. Observe the laws of the game.
3. Play fair.
4. Respect opponents, teammates, referees, official, and spectators.
5. Accept defeat with dignity. Win with modesty and give credit to God and teammates.
6. Promote the best interest of the Academy and the Team.
7. Reject worldliness in attitudes and actions on and off the playing field.

By signing below I have read and understand the rules, regulations and guidelines set forth in the FRBA Athletic Handbook. I do agree to abide by these rules, regulations and guidelines and will faithfully support the coaches, athletic director and administration of Front Range Baptist Academy.

## NOTICE TO ATHLETES AND PARENTS OR GUARDIANS FORM

SERIOUS, CATASTROPHIC AND PERHAPS FATAL INJURY MAY RESULT FROM ATHLETIC PARTICIPATION.

By its very nature, competitive athletics may put students in situations in which **SERIOUS**, **CATASTROPHIC** and perhaps, **FATAL** ACCIDENTS may occur.

Many forms of athletic competition result in violent physical contact among players, the use of equipment which may result in accidents, strenuous physical exertion, and numerous other exposures to risk of injury.

Students and parents must assess the risks involved in such participation and make their choice to participate in spite of those risks. No amount of instruction, precaution, or supervision will totally eliminate all risk of injury. Just as driving an automobile involves choice of risk; athletic participation by high school students also may be inherently dangerous. The obligation of parents and students in making this choice to participate cannot be over-stated. There have been accidents resulting in death, paraplegia, quadriplegia, and other very serious permanent physical impairment as a result of athletic competition.

By granting permission for your student to participate in athletic competition, you, the parent or guardian, acknowledge that such risk exists.

By choosing to participate, you, the student, acknowledge that such risk exists.

Students will be instructed in proper techniques to be used in athletic competition and in the proper utilization of all equipment worn or used in practice and competition. Students must adhere to that instruction and utilization and must refrain from improper uses and techniques.

As previously stated, no amount of instruction, precaution, and supervision will totally eliminate all risk of serious, catastrophic, or even fatal injury.

If any of the foregoing is not completely understood, please contact your school principal for further information.

Instruction: Sign both copies, retain one for your records, and return the other to your school.

No student shall represent their school in interschool athletics until there is on file with the superintendent or principal a statement signed by his parent or legal guardian and a signed physical certifying that he/she has passed an adequate physical examination within the past year, that in the opinion of the examining physician, physician's assistant, nurse practitioner or a certified/registered chiropractor, he/she is physically fit to participate in high school athletics; and that he/she has the consent of his/her parents or legal guardian to participate.

**NOTE:** It is strongly recommended by the Colorado Department of Health that individuals participating in athletic events have current tetanus boosters. Tetanus boosters are recommended every 10 years throughout life. Boosters are recommended at the time of injury if more than five years have elapsed since the last booster.

If significant intervening illnesses and/or injuries have occurred, a more complete physical examination should be conducted. The physical examination form must be signed by a practicing physician, physician assistant, or nurse practitioner.

If a student athlete has been injured in practice and/or competition, the nature of which required medical attention, the student athlete should not be permitted to return to practice and/or competition until he/she has received a release from a practicing physician.

**NOTE:** The CHSAA urges an adequate physical examination be given when a student athlete changes levels of competition, i.e. Little League to Middle School, Middle School to High School.

A student's participation in high school activities is dependent on his/her eligibility. Protect that eligibility. Read the following summary of Colorado High School Activities Association rules that govern a student's participation. Students and parents alike need to review these rules and ask questions of their coaches/directors, athletic director and school administrators.

**\*\*[Per Bylaw 1710.1](#)**, Please review the following information and acknowledge your understanding of the CHSAA Bylaws by signing at the end and submitting to your School's Athletic Director. ***Click the blue underlined links to be directed to the CHSAA Bylaws.***

## The CHSAA

The Colorado High School Activities Association has been the governing body of high school athletics and activities (speech, student council and music) in our state since 1921. [Our Code of Ethics is integral to our Mission and Vision](#). The student's school is a voluntary member of the CHSAA and has agreed to follow its rules. Both your school and the Association believe in equal competition among schools and the close relationship between academics and activities.

### I. [Discrimination \(300\)](#)

A student-participant will not participate in or condone unfair discriminatory practices against a fellow participant due to age, gender, race, ethnicity, religion, sexual orientation, or disability, nor shall the student be discriminated against under the same criteria.

### II. [Hazing & Bullying \(1710.2\)](#)

As a student-participant, I will not be the organizer of, or participant in an activity constituting hazing. Hazing is defined as any conduct or method of initiation, whether on public or private property, which willfully or recklessly endangers the physical or mental health of any student or other person. Such conduct shall include but is not limited to whipping, beating, branding, forced behaviors involving, food, alcohol, drugs or other substances, destruction of property, and/or brutal treatment or forced physical/sexual activity which is likely to adversely affect the physical health or safety of the student or any other person.

## The CHSAA Rules of Participation

### [Academic \(1710\)](#)

A school must select one of three options for determining the eligibility of all its students, and schools have the right to impose stricter standards.

#### [Make-up Work \(1740\)](#)

Each student must be academically eligible in accordance with the above section at the time of participation and during the previous semester. Make-up work shall not be permitted after the close of the semester for the purpose of becoming eligible. (Cases involving special circumstances should be referred to your principal.)

If eligibility has been lost from a previous semester, students may regain their athletic eligibility per the "Fall Regain Dates" Table in the Bylaws, and on the Monday of Week 36 for the second semester.

Summer school credits accepted by the school may be used to replace credits in subjects failed during previous semesters as long as the course is completed by the Monday of Week 9.

Dropping a class may make you ineligible. If you play while ineligible, you may cause your team to forfeit any contests in which you played.

### 1. [Citizenship \(1710\)](#)

The school principal must approve the student to be a representative of the school's standards of citizenship, conduct and sportsmanship.

### 2. [Conduct – Ejections \(2200\)](#)

If a student is ejected from a contest for unsportsmanlike conduct, he/she will be ineligible for the next scheduled match or contest played at that level including qualifying and state contests. The student may not participate in any contests at any other level during this period. For the season, the student will be permitted to compete in one fewer contest than the maximum allowed each participant in the sport.

A second ejection during the season shall result in a 2 contest suspension. A third ejection will result in a review of the student's future eligibility by the CHSAA Commissioner.

If a student is ejected in the final contest of a season, he/she is ineligible for the first contest of the next sport in which he/she competes and completes the season. Players leaving the bench during a fight shall be ejected and ineligible for the next contest.

# CHSAA BYLAWS – PARENT & STUDENT INFORMATION

### 3. [Outside Competition \(2100.2\)](#)

As a member of any high school team, a student may practice or compete in that sport during that sport season in a non-school event with prior written permission of the principal.

Members of high school teams may compete in non-school events in that sport without written permission on the day following the completion of the season for the level (freshman, sophomore, junior varsity, varsity) of the team on which they are competing. NOTE: A student becomes subject to the outside competition rule on or after the first date of formal practice, when he or she reports out for practice and is in contention for a berth on the team.

### 4. [Undergraduate \(1710\)](#)

A student may not be a graduate of any high school and participate in high school athletics.

### 5. [Recruiting \(1900\)](#)

Any recruiting based on athletic ability or interest is prohibited.

### 6. [Age \(1770.1\)](#)

A student's 19th birthday must fall on or after August 1 of the current school year. Exceptions to this rule, based on educational handicaps, may be requested, provided the student's original class has not graduated.

### 7. [Semesters \(1770.3\)](#)

Upon entering high school, a student's eligibility will continue only until his/her original class graduates. Once entering ninth grade, a student has eight consecutive semesters of eligibility. NOTE: If a student drops out of school or misses competition due to an injury, he/she will not receive additional eligibility.

### 8. [Seasons \(1770.71\)](#)

A student is allowed a maximum of 4 seasons in any sport.

### 9. [Physical Exam \(1780\)](#)

- Current within the last 12 months.
- On file with principal or athletic director prior to first practice.

### 10. [Practice \(2310\)](#)

A total of 5 different days of practice is required before participating in any interscholastic game or scrimmage (*except football which needs 9 days*). OTHER EXCEPTIONS: (A) Golf, skiing, softball and tennis players. (B) Participants in state playoff games completed on or after the first day of formal practice. \*\*No contact between a coach and player is allowed on **Sundays** during the school year unless it is for a social, academic or service related activity that is strictly voluntary. A student cannot be required to practice or compete outside of the season as a condition of making the team.

### 11. [Transfer Rule \(1800\)](#)

**The CHSAA supports school choice in academic pursuits and encourages its student participants to enhance their academic achievement. A student entering high school for the first time shall be eligible for all interscholastic athlete competition.**

A student who establishes his/her eligibility at a member school and subsequently transfers, will be ineligible for varsity competition for 365 days from the date of their transfer, in the sports they participated in during the last 365 days.

#### - [Athletic Transfer \(1800.6\)](#)

Any transfer substantially motivated by athletic considerations will cause the student to be ineligible for varsity competition for one calendar year from the date of the transfer in any sport(s) they participated in during the twelve months prior to the transfer.

#### - [Transfer with Club Coach or Previous Coach \(1800.6\)](#)

A student transferring or moving for any reason to a new school where the student's non-school coach is also a coach of the school team, is considered to be attending for athletic purposes. The student, as a result of this transfer, will be ineligible for varsity competition for one calendar year from the date of the transfer in any sport(s) they participated in during the twelve months prior to the transfer. If a student transfers to a school where his/her previous coach is a coach of the current school team, that move will be deemed motivated by athletic consideration. As used in this Rule, the coach may be a former school coach or non-school coach and the term "coach" includes any person who coaches, volunteers (regardless of compensation) or assists in any capacity with the coaching or training of the school or non-school team.

#### - [General Transfer Information \(1800\)](#)

It is the student's responsibility to know the CHSAA Transfer Rule and how it affects that student's eligibility. The CHSAA Commissioner may grant exceptions to this rule in unusual cases. Only schools may submit a waiver. If a waiver of the transfer rule is requested, the student is not eligible until the waiver is approved by the CHSAA Commissioner. Transfer cases involving separation and/or divorce proceedings should be reviewed with the school administration.

The Colorado High School Activities Association, in conjunction with its member school, prohibits bullying, hazing, intimidation or threats. Hazing includes humiliation tactics, forced social isolation, verbal or emotional abuse,

I understand that hazing of any type is not permitted in any CHSAA sanctioned activity. I will not engage in any of the prohibited conduct. I further understand that it is my responsibility to immediately report any acts of hazing that I become aware of to a sponsor, teacher, counselor, school support staff, coach or administrator in my school.
